The following Teacher and Counselor Education courses will be offered in Portland, Pendleton & Medford:

Note: Portland classes are offered on the PCC-Sylvania campus (off I-5); Pendleton classes meet at the OSU Extension Office located on the Blue Mountain Community College campus; Medford classes meet at the Jackson County Public Library. ST = Special Topics class.

**TCE 534 - Pediatric Psychopharmacology for School Personnel**  
(CRN: 73170 / 1 credit)  
Offered: Thu, July 30 (0800 - 1750) at PCC-Sylvania  
Instructor: Teri Strong  
Introduces school teachers, counselors and social workers to the fundamentals of pediatric psychopharmacology. Basics of pharmacology, adverse effects, indications, and drug interactions will be discussed. This course does not purport to prepare the student to be any part of the pharmacological prescriptive process; that is the purview of the medically trained person.

**TCE 578 - Grief and Loss Counseling**  
(CRN: 73172 / 1 credit)  
Offered: Sat, Aug 1 (0800 - 1750) at PCC-Sylvania  
Instructor: Teri Strong  
The practice of grief and loss counseling is based on an in-depth understanding of the process of grieving and its manifestations while utilizing skills in assessment and intervention. Childhood, adolescence, adulthood, and old age, as distant stages, require different approaches to assessment and treatment of grief reactions. Cultural differences have a major impact on the process and the outcome of work; these differences will be explored so that students may work with bereaved clients from different backgrounds in a wide range of settings. Exploration of the counselor’s own responses and reactions to grief work will be examined by the students in depth.

**TCE 599 - ST/School Counselors and Academic Achievement**  
(CRN: 73182 [Medford] or 73620 [BMCC] / 3 credits)  
Offered: Thu-Sat, July 30-Aug 1 (0800 - 1750) at Medford Library  
Offered: Thu-Sat, Aug 6-8 (0800 - 1750) at Blue Mountain CC  
Instructor: Gene Eakin  
Designed to provide school counselors with models and strategies for fulfilling the following roles in the implementation of the Academic Development Domain of the ASCA National Model: 1) individual and group counseling for academic achievement, and 2) parent/teacher system consultation and training regarding academic issues. Emphasis will be on the application of the Transtheoretical Model of Change and Motivational Interviewing to these three roles. Participants will be able to implement research-based educational practices; demonstrate ability to consult with parents, teachers, and administrators; demonstrate cultural competence in addressing academic achievement issues; and, demonstrate and understanding of ethical issues applicable to the academic domain of school counseling.

**TCE 558 - Crisis Management in Schools**  
(CRN: 73171 / 1 credit)  
Offered: Fri, July 31 (0800 - 1750) at PCC-Sylvania  
Instructor: Teri Strong  
The study of crisis management in schools; theory and practice will be the course foci.

**TCE 599 - ST/Advanced Issues in School Counseling I**  
(CRN: 73737 / 1 credit)  
Offered: Thu, Aug 6 (0800 - 1750) at PCC-Sylvania  
Instructor: Suzanne Klassen  
The New Vision School Counseling Model focuses the counselor’s role on advocating that all students - irrespective of social economic status or ethnicity - have the right to access college prep course work and to access post high school education. This course will overview the school counselor’s role in developing and implementing the social justice approach to issues of equity and access for all students.

**TCE 599 - ST/Advanced Issues in School Counseling II**  
(CRN: 73738 / 1 credit)  
Offered: Fri, Aug 7 (0800 - 1750) at PCC-Sylvania  
Instructor: Chuck Zimchek  
Oregon Administrative Rules require all school districts to provide a comprehensive school counseling program based on the Oregon Framework to meet the counseling needs of all students. This course will overview the Administrative Rules, the Oregon Framework for Comprehensive Counseling and Guidance Programs, and the resources available to support the development and implementation of the Oregon Framework.

**TCE 599 - ST/Advanced Issues in School Counseling III**  
(CRN: 73739 / 1 credit)  
Offered: Sat, Aug 8 (0800 - 1750) at PCC-Sylvania  
Instructor: Danielle Torres  
School counselors indicate they need to know more about the mental health issues affecting children. This course will overview the incidence of child and adolescent depression symptomatology and the counselor’s role in communicating with staff, students, and parents accurate information about depression.
