---

*All students pay in-state tuition for summer courses at the Corvallis and HMSC campuses, except INTO students and degree-seeking students in specialized programs. Tuition is based on course level.

† Mandatory fees: building, incidental and health service fees. Special fees associated with specific courses are not included. Fees are rounded up to the nearest dollar.

Tuition and fees are subject to change.

‡ "Drop by" refers to the number of weekdays, beginning with the first day of the session. Classes must be dropped before midnight to get the associated refund.

---

*All students pay in-state tuition for summer courses at the Corvallis and HMSC campuses, except INTO students and degree-seeking students in specialized programs. Tuition is based on course level.*

*Mandatory fees: building, incidental and health service fees. Special fees associated with specific courses are not included. Fees are rounded up to the nearest dollar. Tuition and fees are subject to change.*
A FULL 3-COURSE SEQUENCE IN ONE SUMMER?

CHALLENGE ACCEPTED.

We know you like a good challenge, so here’s one for you to take on this summer: Complete a year’s worth of course work in just one term and get ahead in your studies and on the fast track to graduation. This exclusive opportunity allows you to take various course sequences, such as chemistry, biology and foreign languages, all in one summer.
**Schedule of Classes**

Summer is the ideal time to knock out a few classes while still allowing you to travel, work and play. With more than 1,300 courses offered on campus in sessions ranging in length from one to 11 weeks, you’re sure to find a class that fits your summer needs. Search the 2018 summer schedule of classes: [summer.oregonstate.edu/soc](http://summer.oregonstate.edu/soc).

**Registration**

**CURRENT OSU STUDENTS**
Register as you would for any other term.

**NEW OSU STUDENTS (DEGREE-SEEKING)**
Review and follow the procedures for first-year or transfer students at oregonstate.edu/admissions. For fall term admitted students who want to start early and take summer courses, please contact the Office of Admissions at osuadmit@oregonstate.edu or 800-291-4192.

**VISITING STUDENTS (NONDEGREE-SEEKING)**
Submit a nondegree application online with a $30 (undergraduate) or $35 (graduate) nonrefundable fee. Transcripts are not required, and all students pay in-state tuition for summer courses.*

**HIGH SCHOOL STUDENTS**
If you meet prerequisites for individual courses, you are eligible to enroll. Contact summer.session@oregonstate.edu or 800-375-9359 for more information.

**Housing & Dining**

**LIVE ON CAMPUS THIS SUMMER**
Enjoy the convenience of living on campus while you take summer classes. Oregon State Summer Session students can live in the International Living-Learning Center (ILLC). OSU Summer Session residents contract on a flexible, weekly basis for a room and dining plan. With various restaurants to choose from, on-campus dining at OSU offers something for everyone. Put money into your Orange Cash account and use it for a 10 percent Orange Rewards discount at all participating campus restaurants, coffee shops and markets.

**Online Courses**

Can’t stay in Corvallis this summer? Take classes online through OSU Ecampus. More than 400 courses are available to you. Visit the Ecampus website to see a full listing of all summer classes offered online.

**STUDY ABROAD**

Travel the world

Discover the amazing places your education can take you on one of Oregon State’s life-changing study abroad programs during summer or between terms. Programs are led by Oregon State faculty, and typically last between two and four weeks.

**STUDY BY THE SEA**

Make a splash at the Oregon coast

Dive into marine studies this summer at the Hatfield Marine Science Center in Newport, Oregon, where you can live on site and take courses toward your degree. All classes in the summer Marine and Environmental Studies Program are hands-on and taught in an intensive, four-week format or in a hybrid (online/on-site) format, with residential housing available for both.

**How you define success is up to you. We’re here to help.**

**ACADEMIC COACHING**
Learn effective study techniques, improve your time management skills and develop a game plan to increase your GPA. An academic coach can help you define and achieve your goals.

**WRITING CENTER**
Get assistance with all aspects of the writing process, from brainstorming and organization to questions about grammar and usage.

**MATH LEARNING CENTER**
Get support from math tutors who can help you succeed in your math classes, no matter your level of learning. Free help with lower-division math classes is available on a drop-in basis.

**WELLNESS COACHING**
Explore your personal strengths and apply them to your wellness goals with this free and unlimited service.
